

CARICATURE

WINES OF CHARACTER WITH GREAT LEGS

Caricature artists do their sketching on paper; winemakers create theirs in a glass. Like caricature sketches, the wines are crafted to embellish a distinctive characteristic to distinguish luscious elements that are quite approachable. The result is a wine of character with great legs!

WINEGRAPES

All our estate grown and sustainable vineyards are in the Lodi and Clarksburg Appellations. The regions are known for the classic Mediterranean climate - as the day's temperature rises, cool breezes drift from the Delta keeping the nights cool which is ideal for our winegrapes
